Congratulations to Kaylee Kozlowski who was selected to the ODP Region 1 team in the 2001 age group. Kaylee Plays with the 00G Red.

US Youth Soccer membership is divided into four regions. The regions are essentially East (Region I), Midwest (Region II), South (Region III) and West (Region IV). Within each region are 12 to 15 State Associations. Region 1 one is made up of 15 State Associations. During Regional ODP training and competition, players who are capable of performing at a higher level of play are identified for possible regional pool, or regional team participation. Below are the Beach FC Girls who have been identified at the State and Regional level to represent Region 1 in various Interregional competitions. Interregional events are held throughout the year at various locations in the United States. The National Team Coach or a National Staff Coach is present at these events to observe, train, and identify players for placement in the national pool or on a national team.
